NOTICES TO BUYER

- 1. The Texas Department of Public Safety maintains a database that consumers may search, at no cost, to determine if registered sex offenders are located in certain zip code areas. To search the data base, visit http://records.txdps.state.tx.us/. For information concerning past criminal activity in certain areas or neighborhoods, contact the local police department
- 2. Such written information in this Seller's Disclosure Notice for the Property does not constitute the representations of the Listing Broker, and other Broker participating in a sale transaction or their sales associates, employees or agents who are relying upon the written information provided by the Seller in this disclosure notice. Buyer is not relying upon any statement or representation by the Listing Broker and any other broker and their sales associates, employees, and agents concerning the condition of the property. THIS IS NOT A WARRANTY. YOU ARE ENCOURAGED TO HAVE AN INSPECTOR OF YOUR CHOICE INSPECT THE PROPERTY PRIOR TO CLOSING.
- 3. Buyer may be provided information about the size of the property, either of the real property or the improvements. All such information has been obtained by Broker or Seller from third parties, including information obtained from official tax records. Such information is not always accurate.
- 4. If Buyer bases an offer on square footage, measurements or boundaries, Buyer should have those items independently measured to verify any reported information which is often unreliable.
- 5. If the property is located in a coastal area that is seaward of the Gulf Inter-coastal Waterway or within 1,000 feet of the mean high tide bordering the Gulf of Mexico, the property may be subject to the Open Beaches Act or the Dune Protection Act (Chapter 61 or 63, Natural Resources Code, respectively) and a beachfront construction certificate or dune protection permit may be required for repairs or improvements. Contact the local government with ordinance authority over construction adjacent to public beaches for more information.
- 6. This property may be located near a military installation and may be affected by high noise or air installation compatible use zones or other operations. Information relating to high noise and compatible use zones is available in the most recent Air Installation Compatible Use Zone Study or Joint Land Use Study prepared for a military installation and may be accessed on the Internet website of the military installation and of the county and any municipality in which the military installation is located.
